Odin, Feldman & Pittleman, P.C.'s Immigration practice advises clients in Virginia, Maryland, and Washington, D.C., on employment- and family-based immigration.

We assist companies—large and small—that choose to sponsor foreign nationals in the following non-immigrant visas categories:

- **H-1B Visas** – Professional specialty occupation foreign workers
- **L-1 Visas** – Intracompany transferees
- **E-2 Visas** – Treaty investors

We also assist companies and individuals with the following types of immigration cases:

- PERM (labor certification) applications and preference petitions
- Adjustment of status (“green card”) applications
- Family-based immigration (fiancés, spouses, children, parents, siblings)

When English is not our clients' first language, we have attorneys and staff who speak French and Spanish.
